### IBM IOT WATSON DEVICE CREATION

The screenshot shows the IBM Cloud console interface. At the top, there's a navigation bar with 'IBM Cloud', a search bar, and links for 'Catalog', 'Manage', and the user's account 'Sreepriya bas's Account'. Below this, the 'Resource list' section displays 'Internet of Things Platform-zc' with a green 'Active' status and an 'Add tags' link. A sidebar on the left contains 'Manage', 'Plan', and 'Connections'. The main content area features a large blue icon representing a device with multiple connection points. To the right of the icon, the text reads 'Let's get started with IBM Watson IoT Platform' followed by a description: 'Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world.' Below this text are two buttons: 'Launch' and 'Docs'.

The screenshot displays the IBM Watson IoT Platform dashboard. The top header includes the title 'IBM Watson IoT Platform', a help icon, and the user's email 'bsree7172@gmail.com' with a dropdown menu for 'ID: (select org)'. The main area has a dark blue background with a circuit-like pattern. In the center, the word 'Cars' is prominently displayed. To the left of 'Cars', the text 'Collect data from' is accompanied by icons of a cloud, a factory, and an airplane. To the right, the text 'and make value from it' is shown with icons of a person, a smartphone, and a server. At the bottom center, there is a 'Learn More' link. A 'Cookie Preferences' button is located in the bottom right corner.
